ORDER

This application is filed by the accused u/sec.479 r/w Section - 407 of Cr.PC., seeking for an order to transfer this case to the Hon'ble High Court of Karnataka as Hon'ble High Court is court of records, where this accused has confidence to get justice against powerful lobby of 867 Corrupt Judges and Lokayukta and this court by transferring the case to Hon'ble High Court, shall only enhance its prestige and glory in the eyes of litigants. The Hon'ble High Court has powers to re-open

past judgments and he can convince the Hon'ble High Court to re-open the cases of Karnataka Employees HBCS has secured more than 27 judgments fraudulently in Hon'ble High Court for developing Judicial Layout and any frauds committed on it amounts to fraud on court of records.

2. The learned Sr.APP has filed objections by way of memo contending that when integrity of court is questioned, it is difficult in arriving at proper conclusion and therefore he has prayed to consider the application filed by the accused.

3. After having heard arguments from both the sides, the points that arise for my consideration are:

1) Whether the application filed by the accused u/sec. 479 r/w Section-407 of Cr.PC is deserves to be allowed. ?

2) What Order?

4. My findings on above points are as under;  
Point No.1: Partly in the Affirmative.  
Point No.2: As per final order

for the following:

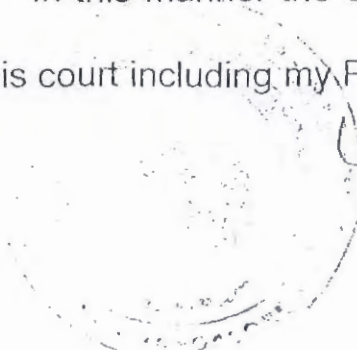

REASONS:

5. Point No.1:

The allegation is that the accused on 26/10/2011 distributed the pamphlets, which contain insulting statements about judges and again on 29/10/2011 he has made phone call to the office of Lokayukta from his mobile and abused CW.1 in filthy language and threatened him with dire consequences. The complainant in his application has alleged that there are 867 corrupt judges named thereunder and he has no confidence upon this court as the Magistrate is personally interested to protect those judges. Even he has made allegations against my Predecessor Mr. Nagalingana Gouda Patil stating that he has acted contrary to law and there shall be bias in hearing the case.

6. The complainant further submitted that as this court is personally interested to safeguard the interest of judges, who are named in the application, this court should not hear this matter. In this manner the complainant has made statements upon this court including my Predecessor stating that he has no

confidence and the matter be transferred to the Hon'ble High Court for redressal. In view of this, I do find complicated question of law. Though there is no provision to transfer the case by this court u/sec.407 of Cr.PC., in view of involving complicated question of law, it is necessary to make reference of this matter to the Hon'ble High Court for kind orders. Therefore, I answer point no.1 partly in the Affirmative.

7. Point No.2: In view of the above reasons, I proceed to pass the following:-

**ORDER**

Application filed by the accused u/sec. 479 w/ section-407 of Cr.PC., is partly allowed.

Submit entire records to the Hon'ble High Court of Karnataka on reference for kind orders.

(Dictated to the stenographer, transcript thereof, corrected and then pronounced by me in the open court this the 22<sup>nd</sup> day of October 2013.)
